1.2.108

a Lesson in the University of The New Covenant

Theodore Cottingham, August 13, 2004, Friday 11:30 a.m.

www.unc.bz

1. I have called you by name, I have called you My name, I have called you by your new name. I have called you and I have lifted you up because you have lifted Me up, and I said when I am lifted up, I will draw all men to Me, for no one can resist the power of My love. When love is raised up tender, honoring, graceful and in graciousness, in deference, no one can withstand My love.

2. My power pervades Me, My power pervades you now, and you who love Me and want Me so, you who have come to Me, you who have come to Me in the wee hours; you even who have come to Me who think you are so small and can't do anything and will never accomplish anything and that no one values you and your talents or your time, you are who I value and who I am lifting now, who I am arising to come to the forefront of My kingdom -- you who know My power and who will not taint what I give you by seeking money, status, fame, position and power in your own might -- you who know you cannot do the work, but that I do the works through you; you who will not build your kingdom but will build My kingdom; you who will not control and manipulate but set free, free, free in Me, free.

3. Where I am there is liberty; there is the Cross, the Cross which brings freedom and liberty, not the cross that bears the shame of manipulation, control and self-interest. The shame of the Cross, My Cross, exalts. I love you.

4. I love you and I give you Me, and I exalt Me now through you for you have come and you have called and you have let Me confirm you, you have let Me confirm My words to you. You have listened for My voice and you have valued My voice more than the disparaging remarks of those who think you are daft. You stand solid now, you arose, I lifted you. You dove and I caught you. You splashed and now you are dry and you arise in Me and flames of the Cross and flames of My word.

5. My word is a consuming fire and I come and I take My coals off My alter and I give them to you through your mouth and through your words to cleanse, to cleanse My people, to cleanse and shame not, but powerful be and power-fuel My people into Me and astro vehicles of Me, being Me, seeing Me, spreading My words and My flame of fire.

6. I am not weak, I am strong and My WeekWorks come to make My people stronger, to open to Me and see Me in them, Holy of Holies, revealing all, withholding nothing. I love you. Now I come and I come in power to WeekWorks. I come in power and I thank you for WeekWorks making people not weak but strong, My craftsmanship, My Me coming forth.

7. I love you and I arise My disciples of glory, power and might and authority who tainted not walk in meekness, meekness, the strengthened meekness of the Cross, My blood coming forth, love of only Me, personified in the craftsmanship of Me, Me coming forth in My craftsmanship. I love you.

8. Hear Me in what I am saying to you and what I mean. I love you and I bless you and I give you Me. I love you and I bless you and I give you Me and I have only begun. You have only begun. You have only begun to show forth My glory that is coming, coming, and there is. Now ashamed never be, and shame never take on from anyone who tries to say reproach. I love you.

9. I love you and I give you Me and I walk forth today, opened eyed, eyes wide open, your eyes wide open saying, speaking My words, being Me, letting them know Me in My humanity, you and your humanity open book, testifying of Me and every action--repentance, confidence, significance upon foundations of only Me. I love you--My word coming forth, My words coming forth, My mighty many coming forth. I love you. I bless you. I give you Me this day; roses and crepe myrtle and magnolia trees and inventions and discoveries of only Me.

10. I reveal Me to you and I hold nothing back. I hold nothing back, Ted. I hold nothing back. I hold nothing back from you wondering, reading about this, I hold nothing back from you. I give you no limits. There are no boundaries in Me. See Me, see Me in you, see you in Me, see Me coming forth as I am in 'I Am My creation.' I love you.

11. My power, My powered, My powerful be now. Arise in the might and power of your authority already given that you have touched, that you have touched, that you have barely, barely touched, walking and speaking in My authority in London, yes, of Me, I will blow, I will blow on those tapes and messages and CD's and replicable devices fanning My words into flames of fire, flames of fire that destroy the boundaries that limit My people, and see Me as limited, and see them as limited. Flames of fire that rend and rent in two the circumstances demolishing the visible, to bring the invisible real, the reality of Me. I love you.

12. Now into Me see. Walk unafraid, walk unafraid, unafraid, unafraid. Please be unafraid of Me. Please be unafraid of My power. Please be unafraid of My authority and walking in Me. Please be unafraid of the faces which challenge you. Please be unafraid of the councils that call you and want you to account for My actions. I love you and I give you Me and I will give you My words even in council, even before councils, even before inquiring inquirers. I will talk in first person I am, first person I be, first person I will answer them. I love you and I give you Me and I shrink not back from those who challenge Me; and I tell you, I ask you, I command you, I beg you, I plead with you not to shrink back from those who inquire, who command, who demand, who want you to recant.

13. I love you and I am empowering My people and I come forth as the mighty many. I come forth as the babe in the manger, yes. And I come forth through the mighty many,

the common man and woman, boy and girl, young and old, infants no longer who know Me. Infants who know Me, infants who have become Me, Me, mature in Me, knowing My voice, letting Me be Me, letting no limits come through Me through them so they experience no limits.

14. See Me in My word, My challengers, My discounters of Me, My minimizers of My power, controllers and exploiters of Me for your own purposes. See Me and what I do with those who trample Me, trample My orphans and My widows, casting aside those who I created who in gutters are, for purposes many I created and I value them. I love the toothless and the poverty stricken and the lazy, the leper, and I value them as much as I value Me, and Me in them and you.

15. Think not you will be a part of the mighty many because of what you have done, what you have said, the mighty acts you think you have performed on your own, what you have, who you came from, where you live, what you have.

16. My mighty many come from Me and they have paid a price to know Me and you pay a price to know Me and you pay a price to know My power, My glory, and My authority, and meekness'd drink-offering poured out into Me you must be.

17. I love you this day and I give you no limits in Me. If you seek Me and want Me, I give you all of Me. I require nothing and I require everything. I require Me being all and all and letting Me do the work. Let Me be Me. Let Me be Me and see, feel, hear, and become the person I designed you to be and experience the freedomizing freedom that you no longer control, allowing Me to take you and fling you, globalizing you into leadership, leaders of leaders, walking and talking across My globe interstellar. Watch Me. I love you. No limits in Me, My structures, My Kingdom, My heaven on earth. I love you.

18. Empowered be. See Me. See you see Me in every person, every conversation, every circumstance, and let Me be Me and discount not My power, My authority through you. See Me and bring My kingdom, My heaven on earth. Speak My will, see My will, feel My will, hear My will, become My will, become My Kingdom on earth, Me through you. I love you. I am empowering you and giving you books, books, books upon books in one sitting, one sitting, one sitting, one sitting--hear Me and hear Me well--if you let Me.

19. I come and I call and I confirm and I explain now, I explain and I expound and I explicate and I exonerate you who have limited Me in the past, but who come to Me now, who come to Me now and let Me be Me. I love you. Walk in the power and authority that you are, that you are, that you are already, becoming Me. I love you.

20. Thank you for drink-offering yourself today and every day. I thank you. We mowed, yes of Me, we, you and Me together, one. I love you.

21. Dave, see and enjoy Me. I love you so much. I love you. I bless you. I give you Me. And many Dave's, many Ron's, many Sheila's I give you to lift them into Me more, farther, deeper, expounding, explaining, explicating, and, Ted, building platforms under

them, lifting them to Me. Thank you for putting their hand in Mine. I love you and I give you Me. I give you Me.

22. I come to WeekWorks and I joy in WeekWorks and I joy in those who are there and those who did not come, miss. But I love you. I love you and I have so many more. I come and I call and I confirm.

23. Enjoy every person. Every one of Me. See Me in every one and value every one of them as Me--I love you. I love you--they are Me. I love you. They are Me. I love you. See Me. They are Me, every one of them. See Me. They are Me, they are Me, they are Me. See Me in them. They are Me. They are Me. Value every single one as Me, as Me standing there before you, as Me sitting there before you listening to what I have to say, what I have to hear, what you are saying, through your voice to Me sitting there in front of you, standing there in front of you in every conversation. Let Me be Me.

24. Let Me be Me and see Me: how I work, see how I am, see who I am and what I am and see how My body, My blood, My love flows, liquids of only Me pouring through porous concrete structures not, porous of only Me, permeating all of My creation with My love, My joy, My laughter, My power.

25. Authority now goes forth through the word of My power and the power of My word: the words of My power and authority and glory and majesty and honor, to show forth My work and My work coming through you, your words, your hands, and the Universities now which you raise for Me.

26. I glorify you and I glorify yours, I glorify Mine, and Mine and yours, and yours and Mine, and you and Me, and you who read, and you who wonder, I glorify and lift.

27. This is the day of great opportunity, shrink not back, no boundaries.

28. Repentance, repentance, Ted, repentance and confidence. Repentance, yes, beginning with repentance, confidence. Repentance, confidence, significance, foundations of only Me. I love you.

29. Great joy, great laughter, great peace. Enjoy Me this day. Enjoy these meetings. Enjoy these people. Enjoy Me: Me in these people that are before you, Me in the people I have brought, that I have brought you, that I brought to My school to schools make, to cross My continents and boundaries all, knowing no limits and NO boundaries, needing no visas, no limits in Me. I love you.

30. I give you Me this day and I crown you, I crown My righteous, I crown you who have paid a price to know Me, you who have come to Me in the wee hours. I love you. Let Me speak to you. Let Me speak to you. Let Me speak through you like this and proclaim Me and be ashamed not and wear no shame. Accept no shame that anyone wishes to place on your head as you speak My words, and come forth in power and might and glory; declaring I am I Am, and that you are I Am, and that I Am is coming forth through your words, just as I come forth through these through Ted, through My Teds, through My servants simple, through My servants many, old, young and not looking like any leadership in the past.

31. I love you, you who have paid a price, you who have spent time with Me and know My words, know My will. Now arise and be not condemned in the chains of leadership that wants to control and despise and keep you little in My eyes, or your eyes, or anyone else's eyes. Arise this day and go forth, your hand in Mine, Me sharing Me with you greatly, greatly, greatly--My Rose of Sharon's, My Roses of Sharon, My Roses of Sharon's, I call you.

32. I come forth in the mighty many this day and you are part of the mighty many if you choose, if you will pay the price, if you will come, if you will bow low. I bow before you. I have given you My life, I have shed My blood. Now what do you offer Me? **The time I ask? Is it too much? The time I ask? Is it to believe in Me? Is believing in Me too much?**

33. I gave My life, I opened the gate, I opened the door, I opened My quarters to you, I withhold nothing from you. What do you offer Me? The five fish? The two loaves? Do you come? Do you call? Will you come? Will you give Me your time? Will you give Me two minutes here and there? Five minutes? An hour? **Will you give Me your time?** Will you give Me your focus? Will you cut off your radios, your TVs? Will you cut off the things which you think help you so much, to see if I will help you so much?

34. I love you and I give you Me and I restrain you not, there are no limits, no boundaries in Me. Come to Me and see Me; see Me in you and see the power and authority and glory and majesty that I have place with-in-side you, the Holy of Holies, Me coming forth. This day, mighty steeds of many, mighty armies, mighty Me coming forth, representing and arrayed in the regal-ry of only Me. I love you.

35. Now see Me, see your power and come forth in your design, your design, your design that I fashioned and formed, before in the womb you ever are. I love you. I give you Me. I love you this day. Joy and laughter. Joy and laughter. See Me. See Me. Allow Me to come forth. Allow Me to come forth. Allow Me to come forth.

36. This is the day, this is the day, THIS is the great beginning. (laughter) This is the GREAT beginning, THE great beginning. I love you. Know what I am saying. Thank you. Thank you. Thank you. Thank you. Thank you. Thank you so very much. I thank you. Good Day
